Class History

Just four years ago last September in the year 1952, 81 shy young monsters crept into the hallowed halls of old A. H. S. Teachers, old and young alike, heaved a sigh of weariness, they were doomed.

To get our class off to a flying start we elected as officers the following: president, Jim Marr; vice-president, Larry Ware; secretary, Ted Franklin; and treasurer, Gretchen Finney. Blue and beige were chosen as our class colors and the violet, our flower. Destined to be our motto was "Forward Ever; Backward Never," which has remained with us these four long years. Our Freshman sponsors were Mr. Sisk and Miss Wheaton.

The following autumn found us with 71 class members and Mr. Sisk and Mr. Suttle as sponsors. Our officers were: president, Jim Marr; vice-president, Ted Franklin; secretary, Max Schwartz; and treasurer, Gretchen Finney. To represent us on the Student Council we elected Nancy Landis and Dick Crane. Other facts include our flower that year, the blue gardenia, and our colors, blue and orange.

Our Junior year brought many exciting events. Our play, under the direction of Mr. Daugherty was titled "Hillbilly Weddin'." We participated whole-heartedly in the annual magazine sale, received our treasured class rings in December, held two class parties during the year, and on May 6, held the Junior-Senior Prom at the Harrison Hills Country Club. The theme of this thrilling evening was "Stairway to the Stars," music by the Ambassadors, and was beautifully decorated in blue crepe paper and silver stars. Our officers that year were as follows: president, Bob Shepherd; vice-president, Don Gooden; secretary, Max Schwartz; and treasurer, Kay Welsh. Our Student Council representatives were Ted Franklin and Ed Nelson. Mr. Daugherty and Mrs. Lear were our sponsors, the pink carnation, our flower, and pink and black, our colors. We had a total of 70 at the end of the school year.

And then we were Seniors! The long awaited year finally rolled around. To start off the year we elected as officers: Ben Day, president; Janie Snell, vice-president; Max Schwartz, secretary; and Katie Redman, treasurer. Student Council representatives were Jan Hatton and Harlan Kincade. Our traditional flower and colors were the American Beauty Rose and crimson and white. Our hard working Senior sponsors were Miss Holihan and Mr. Daugherty. On March 23, we presented our Senior Play titled "The Hoosier Schoolmaster," under the direction of Mrs. Peterson. During this busy year we also found time for one class party, Senior dances after every home game, selling concessions at home games, a Senior Work Day, and many other activities. Baccalaureate was held May 13, in the First Methodist Church and on May 19, all our efforts and hard work to raise money was realized when we left for Washington D. C. and other points of interest. We arrived home May 24, and our yearned-for diplomas awaited us at Commencement which was held Friday evening, May 25, in the gymnasium. We ended our long journey with a total of 62 in the class.

We sincerely thank all our sponsors and the faculty during the last four years who have helped us along the way. The shy monsters of '52 have now become the prospective citizens of tomorrow. The memories of these, "the best years of our lives," will remain with us through the years to come. Farewell A. H. S. !

The Finale

The 84th annual commencement of the Attica High School was held Friday evening, May 25, in the high school gymnasium. Marching up the aisle to the familiar strains of "Pomp and Circumstance" were 62 proud members of the class of Nineteen-hundred fifty-six, 45 young men and only 17 misses. After the invocation given by Judy Richey, the Attica High School band played "Begin the Beguine" under the direction of Mr. McCarty. Our class president, Ben Day, then gave a well-expressed Welcome to parents, faculty, relatives, and friends. Four speeches followed, both bidding farewell to the old and hailing the new life ahead of us. First was "Farewell to the Halls of Ivy" given by Janie Snell who recalled all our memories, dates, good times, study, familiar classrooms, etc. of the past four years. Next came, "The Past As A Foundation" by Jim Marr, who compared our formal education to the foundation for building a house. The Salutatorian of our class, Bob Shepherd, talked on "We Survey our Today," combining all of our modern day wonders to show what we possess and the Valedictorian of the Class of '56, Ed Nelson, summed up all in "Today Ends; Tomorrow Begins." The Senior Ensemble, composed of Janie Snell, Nancy Terrell, Nancy Landis, Kay Welsh, Harlan Kincade, Harvey Helmerick, Jim Leath, Francis Oteham, and Russell Morgan, then sang the beautiful "Halls of Ivy," accompanied by Mrs. Schramn. Next came the presentation of diplomas by Supt. J. B. Troncin, who also gave a talk on our future as American citizens. Our principal, Billy Abel, then presented the awards to outstanding graduates of the Senior Class of 1956. Among those given at this time were the following: T. Ried Ziegler-Ed Nelson; J. Frank McDermond-Janie Snell; Tri-Kappa-Bob Shepherd; Lion's Club-Hugh Enicks; Home-Economics-Nancy Terrell; D. A. R.-Janie Snell; D. A. R. American History Award-Ed Nelson; Business and Professional Women's Award-Janie Snell; Max and Sophia Newmark Award-Bob Shepherd; Psi Iota Xi Award-Jim Leath; Arion Award-Jim Marr; A. A. U. W.-Connie Turpin.

The Seniors much anticipated evening ended with the benediction given by Kay Welch and then we started down the steps to greet relatives and to bid a fond farewell to friends we've made for life. At last------we were Alumnus of Attica High and now, adult citizens in the outside world. And even yet-deep down-we gave a sigh, for the days behind and for just a little fear of what lay in store for us. But still-this we know-that we are not alone, for with us go the heartfelt hopes and prayers of parents, teachers, and friends, as well as 61 others feeling just as we-the members of the Class of 1956.

The Juniors of the Attica High School started the year with the following election: President Jerry Lefton, Vice President John Marr, Secretary Suella Grady, and Treasurer Janis Sichts.

Black and white were elected as our class colors and a black gardenia as our flower. Our motto is "The Door to Success is Marked 'Push'."

The Junior Class this year presented the comedy, "Mother Is A Freshman." We sponsored the annual magazine campaign and a very successful prom with Sue Ann Miller as queen and Glenda Maris and Shirley Gustus as Junior Attendants.

Our class has had many enjoyable experiences together this year, that will be long remembered. We wish to express our gratitude to Mr. Lambert and Mrs. Linn for their help and support in pushing us forward.

Our student council representatives were chosen, Mary Colvert and Charles Kerkhove, and Sandy Borst was elected to represent our class on the Crimson Staff.

We enjoyed two class parties; one was a chicken supper and the other a topsy-turvy party. We ordered our class rings which will be delivered in the fall. We, the class of 1958, sincerely wish to thank our sponsors, Mr. Sisk and Mrs. Laughlin, for their untiring effort to make our second year of high school a success.

During the year we selected as our colors, mint green and charcoal, the mint green carnation as our flower, and our motto "Today we follow, Tomorrow we lead."

Some of the activities of the band included playing for the home football and basketball games, playing at the State Fair in August, three concerts during the school year, participation in the solo and ensemble contest, performing with the County Band Festival at Covington and the presentation of eight summer concerts in McDonald Park. The band was also awarded division I at the State Band Contest held this spring.

The Mixed Chorus is composed of sophomores, juniors, and seniors who are chosen from those who take voice tryouts at the beginning of the year. Definite musical talent, good voice quality and ability to carry harmony parts are requirements for membership. The Mixed Chorus is in the High School curriculum and meets a full period each school day. The work includes a study of voice technique with emphasis on development of correct breathing, diction, jaw position, and production of tone.

The chorus presents a fall concert in collaboration with the band, appears for several numbers on the Christmas program each year, participates in district Choral festival, and enters chorus contests each year. A boys' and girls' chorus is formed from the mixed chorus which also goes to contests. The girls' chorus is exceptionally good this year and won first division, along with the mixed chorus.

Besides preparing the annual, the staff sponsors the "Crimson Hop." The Hop is an annual event at which the Crimson Hop king and queen are crowned. Selected by popular vote, the honors this year went to Betty Poynter and Max Schwartz.

The Student Council is an organization made up of two elected representatives from each class and the president of each organization. The purpose of the Council is to promote student leadership, to encourage and initiate student viewpoints, to take charge of intramural sports, and to organize suitable convocation programs.

The annual Homecoming Football game, which was arranged by the Council, was held October 14, with a huge bonfire rally the night before, a parade of floats, and the crowning of a queen. Shirley Gustus, a junior, reigned over the dance, which included the homecoming festivities.

The 1955-56 officers were: Kay Welsh, President; Mary Ruth Nolen, Vice President; Gretchen Finney, Secretary; Connie Turpin Treasurer; and Mr. Abel, Faculty Advisor.

Our monthly publication of the school paper, properly known as "A. H. Says," is put out by the Press Club of Attica High School which included this year: Sponsor, Miss Holihan; Co-editors, Jim Leath and Ted Franklin; Secretary, Janie Snell; and the staff of reporters who made it their job to collect various items of interest made available to the students. In glancing through an edition one might chance upon such items as an editorial on how to settle our school problems, an article on the latest fads and fashions ("cat clothes"), or even the newest slang commonly used in everyday "Rock and Roll" conversation. Also between its covers may be the latest romance hot off the press, how A. H. S. did or didn't come out in a recent game, what a certain Senior likes for breakfast, what the "high society" (clubs) have been doing, and what Mr. Troncin wants for Christmas. Press Club is limited to 15 members and membership is determined by a certain number of points which are earned by turning in the monthly assignments. Press Club of 1955-56 completed a very successful year and the newly organized club for the coming year very graciously dedicated the last issue to the class of '56.

MORE THAN A SYMBOL...

To us, the knight- and shield of the order of the Golden Rule is more than a symbol----to us, it points to a definite way of life.

To you, who are about to pass one of the more important milestones along the road practice of the Golden Rule in all your future dealings with your fellow men and women will be a different asset, because you will be following the teaching of the ONE who gave us the Sermon on the Mount.

No matter how many obstacles may slow your journey you can overcome all of these obstacles swiftly and surely if you'll remember to "Do Unto Others, As You Would Want Others To Do Unto You."
